ABOUT

ACCREDITATION

British University College (BUC) prides itself on maintaining top academic standards through accreditation, ensuring students receive excellent education. Accreditation reflects BUC's commitment to innovation and enhances students' degrees, affirming its dedication to providing an outstanding learning environment.

FRENCH MINISTRY OF EDUCATION

The courses offered at British University College have been officially accredited by the Ministry of France. This distinguished award highlights our institution's strong educational standards and excellence. We are committed to providing excellence in education while adhering to worldwide standards in order to prepare our students for academic and professional success.

QUALIOPi

British University College has obtained Qualiopi accreditation, showcasing their steadfast commitment to delivering high-quality education with stringent standards. This recognition underscores their dedication to excellence, ensuring students receive education aligned with industry benchmarks.

ACADÉMIE DE PARIS

British University College's courses are accredited by the Académie de Paris, affirming its commitment to high academic standards. This recognition highlights the institution's dedication to providing quality education. Accredited courses reflect BUC's commitment to excellence, inviting students to explore distinguished academic programs.

ABOUT

OUR ASSOCIATES

We are excited to announce the news of our innovative partnerships with prestigious colleges throughout the world. By enhancing the academic experience for our researchers, teachers, and students, these collaborations mark a major advancement in the field of international education. Through these relationships, we are able to provide staff and students with unmatched possibilities for cross-cultural study and research.

We set out on an engrossing journey together to promote a knowledge-driven, inclusive global education environment. Our goal is to significantly advance society and have a long-lasting effect on higher education through our joint efforts. Our mission is to develop future leaders who can successfully navigate the challenges of our interconnected world by embracing diversity and encouraging cooperation.

PARIS AMERICAN INTERNATIONAL UNIVERSITY (PAIU)

PARIS AMERICAN
INTERNATIONAL
UNIVERSITY

Unlock Your Academic Potential with a Ph.D. Programs at British University College

COURSES

STRUCTURED PROCESS

COURSEWORK

Complete any required coursework during the initial phase of your Ph.D. program. This coursework may include Advanced Research Methods I and Advanced Research Methods II foundational courses in your field of study.

RESEARCH PROPOSAL

Develop a research proposal outlining the scope, objectives, and methodology of your Ph.D. research. This proposal is typically presented to and approved by your advisory committee.

RESEARCH AND DISSERTATION WRITING

Conduct your research, gather data, and analyze results. Write and defend your dissertation, which is a significant contribution to your field of study.

DISSERTATION DEFENSE

Defend your dissertation before a committee of faculty members. The defense involves presenting and discussing your research, addressing questions from the committee, and demonstrating your expertise in the subject.

FINAL SUBMISSION

Make any required revisions to your dissertation based on feedback from the defense. Submit the final version of your dissertation for approval.

GRADUATION

Once your dissertation is approved, you will be eligible for graduation. Participate in the graduation ceremony and receive your Ph.D. degree.

Student Support

Health & Wellness facilities, including a counselling centre, are right on campus.
